

ILY-TV serves those who enjoy, prefer or rely on Sign Language to communicate. We're seeking scripted and unscripted TV shows, movies, ministries, news, sports, children's programs, educational series, comedies, and documentaries to air ON DEMAND via Comcast. Programs that raise Deaf awareness, promote Deaf pride, family, faith and personal achievement are of special interest to us.

ILY-TV is family-friendly and does not accept submissions that contain nudity, extreme violence or abusive speech or signs. ILY-TV does not accept content that encourages discrimination or content that is deemed unfit for general audiences. ILY-TV values artist expression, consider submissions individually and reserve the right to accept works considered necessary or important for our audience.

As a public service, the Deaf Welcome Foundation provides the American Sign Language (ASL) translation or voiceover(s), for Corporate Elite Members.* Other languages are available by request. Submit your content here.
